## Prairie Riders Working for Great Causes!

In addition to our club donating money and goods to Make-a-Wish, Children's Hospital, and Shalom Center, some of our members raise money on their own for various causes. If you are able, they would appreciate your support!

Chris Leach: I am walking in the Cystic Fibrosis GREAT STRIDES walk again this year on May 16<sup>th</sup> and I need your help reaching my goal! Please go to the link below and donate whatever you can spare! GO TEAM MAUREEN! Maureen is a close friend of Rachel's and mine. Anyone that was at our wedding met Maureen--she was the loud one... that played the part of Maid of Honor. ;) She has C.F. and we want to help her kick the crap out of this disease! Thanks for your support!

Kat Carter: I am once again raising money for the Pediatric Brain Tumor Foundation. Every year Jamie & I participate in the "Ride for Kids", a motorcycle ride benefiting the PBTF. This year's ride is on July 18. Last year I raised \$13,000, bringing my 10 year total to over \$68,000! If you would like to help me raise money, checks can be made out to PBTF (I don't have an on available. I appreciate any and all help! Thank you

Lauren Pietkiewicz: I Relay because I want to eliminate cancer during my lifetime. Relay gives me the unique opportunity to celebrate the lives of those who have battled cancer, remember loved ones lost, and support the American Cancer Society's lifesaving mission by fighting back against a disease that has already taken too much. Please support my efforts to fight back against cancer by making a donation or joining my 2010 Relay For Life® Kenosha team. August 6-7, 2010 at John Bullen Middle School, 2804-39th Avenue, Kenosha. Last year they were able to raise \$1,200. This year their team's goal is \$2000.

Jim VanCleve: I am doing a 5k walk/run for Countryside Association, a non for profit agency that provides assistance to adults with disabilities. Countryside provides clients with the opportunity to learn work skills along with life skills while being paid for the work that they do. They also help clients to find employment in the community. The fundraiser is on June 6<sup>th</sup>, and I am planning to run the entire 5k. I may be contacted via e-mail if they have any questions. To donate to Jim's effort

## Fat Tire Bicycle Tour 2010

If you enjoy bicycle riding and beer, consider joining in an unofficial club event: the Fat Tire Tour of Milwaukee on June 12.

This 20+ mile ride through the streets of Milwaukee is marked by frequent stops at local watering holes — it is not an endurance ride. Recreational riders in good shape will be able to enjoy a day in the fine city of Milwaukee celebrating the “Amazing Healing Power of Beer.”

The theme for the 26th annual ride pays homage to the Brew City’s bowling heritage and the movie “The Big Lebowski.” Among the stops are:

- Cafe Hollander, site of the start and finish.
- Riverside Park.
- The Art Trail.
- Long Wong’s Chinese American Sports Bar, the recommended lunch stop, with a special Fat Tire buffet.
- Kochanski’s Concertina Beer Hall.
- Holler House, the oldest bowling alley in the nation with manual — as in a person does it — pinsetters.
- Lakefront Brewery, site of the annual Beer Keg Bubbler.
- Wolski’s Tavern.

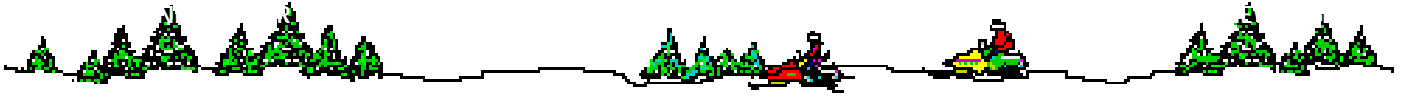

Club members Jeff and Nancy Willems and Billy Luebbers and Linda Becker have participated in this ride in the past and give it an enthusiastic thumbs up. It’s not really an event you can describe, but it’s certainly one that, if experienced, is never forgotten!

Registration for the Fat Tire Tour of Milwaukee is \$24.95 through April 1; \$30 until June 4; and \$40 for on-site registration the day of the event. Every FTTM rider receives a six-pack cooler bag with the “Amazing Healing Power of Beer” logo, an event T-shirt, stickers and the opportunity for other swag and prizes at most of the stops. (Remember to bring plenty of cash, because though amazing, the beer is not free.)

## Website Update

The Prairie Riders Club now has their own PayPal account. The website has been updated so that any online membership payments now go directly into the club’s account. Previously they went to Billy Luebbers’ account and he brought the money to the meetings.

## Camping Trip!

Summer Club Camping trip 7/30-8/1!!!! **Reservations need to be made at least 14 days in advance on-line** and this trip will be here before you know it!!! There are tent sites (non-electric) and RV sites (Electric, Water, Sewer) and the best method is to reserve a campsite on-line. We targeted sites 21-36 last year. The campground is close to Lake Waubesa, the Capitol City State Bike Trail, and there are a couple of fun restaurants (Christy's Landing & Green Lantern) on the lake nearby. In addition, Goodland Park is really close and has volleyball, tennis and basketball courts, a softball field, play equipment, unsupervised swimming area, and boat launch. Finally, we may be hosting the World Micro-Wrestling Federation (WMWF) at The Dry Bean on Friday. If so, you are all invited to come and experience it live for yourselves :-). Club members who are interested should reserve a site ASAP and contact Jody via e-mail (jody.hammond@abbott.com) or cell (847-456-1778) so that he can keep a tally on who will be attending. He will also probably be bringing the boat. If other members have watercraft that they can bring we can have a small regatta and maybe hit a few of the establishments on the lakes.

## Summer Picnic

The Prairie Riders Summer Picnic will be August 28.

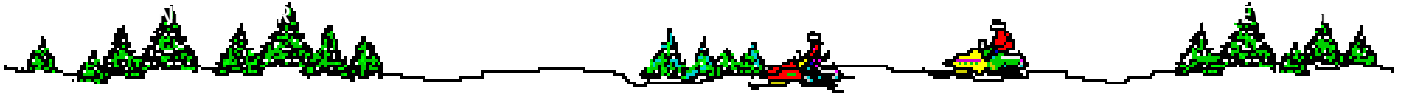

It was voted on at the April meeting that the picnic be held at the home of Dave and Helen Goldman at 6606 116th Street Pleasant Prairie. They are willing to set up a track for the kids to ride a Go Kart, a 120 or mini ATV. Arlyn said he can get us tables and chairs. We could also set up volleyball and do other games for the adults. Club would need to supply a port-a-potty.

We are looking to have more for the kids to do since this is really the only event kids can attend. Lauren is pricing moon walks.

Arlyn suggested we may want to do a pig roast vs burgers and brats. He is willing to help with this.

We would like to hear everyone's opinion on the ideas. Email Judy at [jpietkiewicz@wi.rr.com](mailto:jpietkiewicz@wi.rr.com)
